

MODULE 4: UNIT III — TEAM PERFORMANCE ASSESSMENT

Introduction

■ Objectives

- Critique strengths and weaknesses of team performance.
- Hear a summary of performance by team coach/advisor.
- Document key points for presentation.
- Determine presentation spokesperson.

2

Team Performance Assessment

November 15, 1600 hours

Each IST will meet to critique their individual and team performance. The coach/advisor will provide a summary overview of his observations. Corrective actions within each team should be identified. Key points and recommendations for team improvement and what would be done different on future deployments should be documented for the full team presentation the following day. A spokesperson should be identified to provide the presentation.
